6D Global Technologies, Inc. Becomes Business Plus Partner Within Adobe Digital Marketing Solution Partner Program

NEW YORK, May 7, 2015 (GLOBE NEWSWIRE) -- [6D Global Technologies, Inc.](#) (Nasdaq:SIXD), a premier digital business solutions company, today announced its advancement to Business Plus partner within the Adobe Digital Marketing Solution Partner Program, a partner program for companies that provide digital marketing solutions or technology.

6D Global will continue to expand its partnership with Adobe in creating integrated marketing, commerce, analytics, social, and customer experience solutions. These solutions help large organizations gain insight into their customers, build personalized campaigns, and manage their content and assets.

The Adobe Digital Marketing Solution Partner Program is designed to create a successful relationship between Adobe and technology integration companies to help build customer solutions and facilitate exchange of resources and support.

"6D continues to prove we have the necessary expertise to develop and deliver Adobe Marketing Cloud solutions to customers," said Tejune Kang, CEO for 6D Global Technologies, Inc. "We are very excited to take the partnership to the next level. We anticipate future recurring revenue and growth by offering even more global customers the most advanced marketing cloud available."

"We appreciate the level of commitment required to become a Business Plus Partner and we are honored to be at this level with Adobe," said Lynn Brading, Corporate Partner Manager for 6D Global Technologies, Inc. "Adobe's leadership in the marketing cloud combined with our shared commitment to developing groundbreaking services, make this a winning partnership."
