Armor Designs Announces Launch Of New Website

TEMPE, Ariz., Aug. 12, 2014 /PRNewswire/ -- Armor Designs, Inc. (LSE: ADID)("Armor" or the "Company"), a leading designer, integrator and manufacturer of armor solutions for military, government and commercial use, today announced the launch of a new website at www.armordesigns.com.

"We are pleased to have updated and revised our website to reflect the recent and dynamic changes that are ongoing at Armor Designs," said David Oliveira, Chief Executive Officer. "While our website address will remain the same, we have added new detail about our body armor products and R&D capabilities in addition to our mission statement and code of principals.

"The launch of our new website is just one of many significant steps we are taking to restructure the Company and expand our presence in the global markets. We invite our existing and potential shareholders to visit our new website for an overview of our Company and products and an introduction to our new management team and Board of Directors."

About Armor Designs, Inc.

Armor Designs, Inc. (ADI) is a knowledge-based, technology-innovation company that

develops and manufactures the highest quality, lightest and most cost-effective armor solutions to serve the military, government and commercial sectors on a global basis. We are an international company headquartered in Phoenix, Arizona, and our commitment to state-of-the-art innovation is driven through the application of our patented Volumetrically Controlled Manufacturing (VCM) methodologies. VCM is a unique, integrated design and manufacturing approach that optimizes parts and systems by varying the size, shape, topology and material properties of the constituent materials in the armor allowing for rapid design and manufacturing of advanced composite materials. This methodology eliminates the trial-and-error approach and instead provides a robust platform for a rapid development of armor solutions that can be tailored for any application.

The Report and Accounts will shortly be available on the Company website, www.armordesigns.com. Please also refer to our Annual Report for complete financial statements.
