About Armor Designs, Inc.

Armor Designs, Inc. (ADI) is a knowledge-based, technology-innovation company that develops and manufactures the highest quality, lightest and most cost-effective armor solutions to serve the military, government and commercial sectors on a global basis. We are an international company headquartered in Phoenix, Arizona, and our commitment to state-of-the-art innovation is driven through the application of our patented Volumetrically Controlled Manufacturing (VCM) methodologies. VCM is a unique, integrated design and manufacturing approach that optimizes parts and systems by varying the size, shape, topology and material properties of the constituent materials in the armor allowing for rapid design and manufacturing of advanced composite materials. This methodology eliminates the trial-and-error approach and instead provides a robust platform for a rapid development of armor solutions that can be tailored for any application.

The Report and Accounts will shortly be available on the Company website, www.armordesigns.com. Please also refer to our Annual Report for complete financial statements.
