# Blue Earth Closes on \$10 Million Revolving Credit Facility

HENDERSON, NV -- (MARKETWIRE) -- 02/25/13 -- Blue Earth, Inc. (OTCQB: BBLU), a renewable energy and energy efficiency services company, announced it has closed on a \$10,000,000 revolving line of credit facility. Under the terms of the agreement, TCA Global Credit Master Fund, L.P. has committed to lend a total of \$10,000,000 through one of the Fund's senior secured revolving notes. The initial tranche of \$1,500,000 was funded on February 22, 2013. Following the initial draw, the Company must meet specific monthly collateral requirements to further draw upon the revolving credit facility offered by TCA.

"We are delighted to have this revolving credit facility with TCA," stated Johnny R. Thomas, CEO of Blue Earth, Inc. "We have several renewable energy and energy efficiency projects, in different stages of development, that are excellent candidates for funding with the revolving credit facility."

TCA Fund Management Group as the Investment Manager for TCA Global Credit Master Fund acts as an advisor to many small companies from its offices in the United States, United Kingdom and Australia. TCA Fund is a short duration, absolute return fund specializing in senior secured lending to small, mainly listed companies in the U.S., Canada, Western Europe and Australia. The team has a level of domestic and cross-border expertise, long-standing experience and funding innovations, as is reflected in the number of transactions completed. This is a specialist business with an investment approach that fills an important finance gap in many leading markets. TCA Global Credit Master Fund provides a unique conduit for investors seeking uncorrelated returns in the small cap debt universe.
