A. a description of the issuer’s business operations;

Top Shelf Brands Holdings Corp. (f/k/a Team Nation Holdings Corp.) is a marketer and supplier of unique and innovative alcohol beverage brands and boutique wines, specializing in dynamic brand creation and strategic identity marketing for its products to the U.S. marketplace. Currently the Company develops, imports, markets and supplies branded alcoholic beverages. Our branding philosophy is based on a critical foundation of creating consistent quality products with a priority on innovation, each with a unique story, each within the top industry categories of both today and tomorrow. Within the U.S., all sales are within licensed establishments, either On-Premise or retail. In order for our brands to receive the attention, we must take a lead role in both branding and market development.

E. principal products or services, and their markets;
Federal importers license to import alcoholic beverages concentrating on Tequilas from Mexico. Growth opportunities originate from national distributors, exportation to foreign markets, new products introductions, agency agreements and importation of products from existing suppliers.

7) **Describe the Issuer’s Facilities**

The goal of this section is to provide a potential investor with a clear understanding of all assets, properties or facilities owned, used or leased by the issuer.

In responding to this item, please clearly describe the assets, properties or facilities of the issuer, give the location of the principal plants and other property of the issuer and describe the condition of the properties. If the issuer does not have complete ownership or control of the property (for example, if others also own the property or if there is a mortgage on the property), describe the limitations on the ownership.

If the issuer leases any assets, properties or facilities, clearly describe them as above and the terms of their leases.

Through structured co-packaging arrangements, our production-related costs are fixed, with the only significant variable being volume. We don’t have the burden of a large manufacturing facility, with the needs for modern, expensive equipment, and the stresses of managing the people and the processes, no depreciation factors, union demands, and no equipment failures. Approximately 65% of all current Wine and Spirit brands available today are produced via outsourced manufacturing. We believe that we have aligned ourselves with premier global suppliers, manufacturers and distributors. We own the IP of three spirit brands, two premium tequilas bottled in Jalisco, Mexico that's operated by co-packers, and a Vodka-based 100% natural low-calorie Liqueur bottled in Monterey, Ontario by another co-packer that will be re-released this spring – distributed by Southern Wine and Spirits as the distributor. Existing product inventory consists of boutique wines for sale with the price point $9.00 to $20.00 range with a few selections at $25.00 and above. The inventory are housed at a 3rd party shipper property which delivers upon receiving purchase orders. Purchase orders represent contracts between the vendor and distributor. The inventory is owned by the company. Promotional trailer used for tasting events such as sporting events, trade shows or industry association meetings per year. Trade shows offer an opportunity to create relationships with potential distributors and allows distributors to meet with potential retail clients. All facilities are government-regulated, state-registered, and TTB-regulated.
