## *something* more

Late Summer / Early Fall  
2010

From our Pastor...

Billy Graham once said, "The evangelistic harvest is always urgent. The destiny of men and of nations is always being decided. Every generation is strategic. We are not responsible for the past generation, and we cannot bear the full responsibility for the next one; but we do have our generation. God will hold us responsible as to how well we fulfill our responsibilities to this age and take advantage of our opportunities."

Billy Graham is right as usual. We bear a great responsibility to reach our generation for Christ in South Florida and throughout the world. God planted this church here for this reason. There has never been a more important time to reach people for Christ than today. So we must dedicate ourselves anew to this awesome task and prepare ourselves to give our utmost to this high calling.

In the fall we will resume our **Everybody Can** on a weekly basis with assigned weeks to the Bible Study classes. So check carefully the week that has been assigned to your class and make every effort to be present on that week. In addition, we are offering **F.A.I.T.H. Training** for all who would like further training in presenting the gospel to the lost. This will be a weekly course taught by Tom Kelley on Tuesday nights for eight weeks beginning on September 7<sup>th</sup>. This is an excellent opportunity to learn how to effectively share your faith. And I don't know of anything more important to share than one's faith. May God enable us to do so!

Devotedly your Servant,

*Pastor Ron*

**Have you ever** wanted to be able to talk to someone about the Lord but you just didn't have the ability or courage to do it?

Then, let us help you know what to say and how to say it.

**What is F.A.I.T.H. training?**

The core of the training focuses on learning an easy, conversational style of presenting 5 simple truths about the Gospel to anyone at anytime.

**F** is for Forgiveness

**A** is for Available

**I** is for Impossible

**T** is for Turn

**H** is for Heaven
