Summer 2011

From our Pastor...

Most of you remember the TV comedy *Gilligan's Island* from an earlier era. Admittedly, it was a silly show with little substance and yet millions of Americans found it to be a delightful, entertaining escape for thirty minutes every week. I have to admit, though reluctantly, that I was among them. For some reason, I really enjoyed the show.

In one episode, Gilligan somehow got his feelings hurt by the other castaway inhabitants of the island. So he decided to move to another side of the island and live alone. Before long, Gilligan figured out this move wasn't such a good idea. He was miserable without company. Soon the others determined they weren't happy without Gilligan's company. It wasn't the same without Gilligan among them. They missed his jokes, his laughter, and his gentle ways. They even missed his occasional awkward mess-ups.

At one point in the show they were sitting around talking about specific things they missed about Gilligan. Finally, the Skipper decided to leave the rest and go live with Gilligan so his "little buddy" wouldn't have to be alone. Then another one decided to do the same. Then another. This continued until all seven were together on the other side of the Island in Gilligan's cave. It just didn't seem right unless they were all in community...all together!

Summer of One is about discovery of community. God has brought us together as one in worship, study, and ministry. This summer we are going to get to know each other better and to be renewed in our purpose as a church. It just feels right to be together!

May God's summer rain of blessing fall upon us like never before...

Devotedly your Servant,

Pastor Ron
