Limbach Holdings Announces Completion of Major Rebranding Initiative

PITTSBURGH, PA. – November 1, 2016 -- Limbach Holdings, Inc. (OTCQB: LMBH, LMBHW) (“Limbach” or the “Company”) today announced the completion of a rebranding initiative focused on elevating the Company’s message across all constituencies, from Building Owners and Contractors to Investors and Partners. While the rebranding initiative gives the Company a new logo and refreshed identity, the process also provided clarity to Limbach’s unique corporate culture. A key aspect of the rebranding initiative is an upgraded corporate website, www.limbachinc.com, featuring a wide array of differentiators, new investor relations section and in-depth company information.

“Our rebranding initiative is a natural extension of our recent transition to a public company which occurred last July,” said Charlie Bacon, Limbach’s CEO. “Every day, we strive to be our customers’ first choice integrated building systems provider. That goal speaks to the core of who we are at Limbach and will be our central message going forward.”

The Company's new rebranding initiative encapsulates Limbach’s comprehensive service offering, from engineering to construction to service. Limbach is widely recognized for expertise in its core competencies, including the installation and maintenance of HVAC and mechanical, electrical, and plumbing systems for a diversified group of commercial and institutional building owners.
