Medbox's Vaporfection Secures North American Distribution for 'miVape' Vaporizer

VaporNation to Distribute the 'iPod' of Portable Vaporizers

(LOS ANGELES, CA, May 26, 2015) – Medbox, Inc. (OTCQB: [MDBX](#)), a leading provider of specialized consulting and technology solutions to the legal marijuana industry, today announced that its wholly owned subsidiary, Vaporfection, has signed an exclusive North American distribution agreement for its “miVape” vaporizer with VaporNation, the largest wholesaler and online retailer of vaporizers.

The miVape vaporizer, which is expected to be available for purchase in June, is a self-contained, USB-rechargeable unit that uses medical grade, food-safe and heat resistant materials to deliver the healthiest experience possible.

“VaporNation is a symbiotic fit for Vaporfection as we introduce our portable, true convection miVape vaporizer to the market. I believe it is truly a game changer in terms of its high-quality construction, superior performance and strict adherence to safety standards,” said Dan Wynick, President of Vaporfection. “Aligning with VaporNation provides access to a robust distribution network as well as amazing marketing opportunities that will help us meet the demand for a high-caliber, portable vaporizer at an affordable price.”

“miVape is the first glass-on-glass portable vaporizer available, and we are excited to introduce it into the vaporizer marketplace,” said Jeffrey Sherman, CEO and Managing Director of VaporNation. “This high-end unit truly is the ‘iPod’ of portable vaporizers and represents Vaporfection’s effort to introduce ‘true convection’ heating technology, enabling the vape connoisseur to appreciate the purest flavor with zero combustion.”
