Company Description

MEDL Mobile Holdings, Inc (MEDL), through its wholly owned subsidiary, MEDL Mobile, Inc., is a developer, incubator, marketer and aggregator of mobile application software, or Apps. The Company is primarily engaged in the monetization of Apps through four revenue generating platforms: (i) development of customized Apps for third parties to monetize their particular intellectual property, persona or brand, (ii) incubation of mobile apps from a library of more than 75,000 original App concept submissions, (iii) sale of advertising and sponsorship opportunities directly to brands and via mobile advertising networks and (iv) acquisition of Apps from other developers and use of a proprietary application programming interface, or API, to make App recommendations to our user base.
