Overview

Cyberg Partners, Inc. is an operational-focused investment firm, committed to building a premier, full-spectrum, assistance and advisory services and products provider to the federal government, state governments, and private clients through a disciplined execution of an organic growth and accretive acquisition strategy.

In January 2014, Cyberg created its family of companies with the acquisition of New West Technologies, LLC and Cyberg Labs, and the launch of Primetrix, Inc. Cyberg companies form a family of innovation-centered, technology-enabled businesses that lead the way in energy security, Smart Grid (SCADA systems), renewable energy, cybersecurity, and business growth services. Cyberg Partners is a family of innovative, technology-enabled businesses that lead the way in renewable energy, smart grid, energy resilience, cybersecurity, and business growth services.
