

22nd Century Group, Inc.

Company Overview

22nd Century Group, Inc. is a leading plant biotechnology company focused on technologies that alter the level of nicotine in tobacco plants and the level of cannabinoids in hemp/cannabis plants through genetic engineering, gene-editing and modern plant breeding. Our primary mission in tobacco is to reduce the harm caused by smoking by bringing our proprietary reduced nicotine content tobacco cigarettes – containing 95% less nicotine than conventional cigarettes – to adult smokers in the U.S. and international markets. Our primary mission in hemp/cannabis is to develop proprietary hemp/cannabis plants with valuable cannabinoid profiles and agronomic traits and to commercialize those plants through a synergistic portfolio of strategic partnerships in the hemp/cannabis industry.
